Fireworks Night

What a fantastic night - the weather was kind to us - there was a great atmosphere with the very tempting smells of jacket potatoes with chilli, hot dogs and mulled wine to welcome everyone. While everyone was waiting for the fireworks (having finished buying their "glow" items, toffee apples, etc), it was a chance to look at the very well-crafted and interesting pumpkins - glowing in the dark. Thanks to everyone who contributed a pumpkin this year - it was a fabulous sight!!

We raised a brilliant £520 -
MANY THANKS.

Special thanks to Matthew Brock, who started the display perfectly as the crowd counted down from 10...9...8...7...6...5...4...3...2...1.....
